## Overview

Dr. Imran Akhtar is a highly qualified Orthopaedician with over 15 years of experience in the field of Orthopedics. Based in Lucknow, Uttar Pradesh, he holds an MBBS and an MS in Orthopedics, making him well-equipped to handle a wide range of orthopedic issues. He is affiliated with Apollo and is dedicated to providing quality healthcare services to his patients. Dr. Akhtar is fluent in both Hindi and English, allowing him to communicate effectively with a diverse patient demographic. As an Orthopaedician, Dr. Akhtar specializes in the diagnosis, treatment, and rehabilitation of musculoskeletal disorders, including fractures, joint pain, sports injuries, and degenerative diseases. His commitment to patient care is reflected in his comprehensive approach which includes both surgical and non-surgical treatment options tailored to meet individual patient needs. Dr. Akhtar emphasizes the importance of patient education and works diligently to ensure his patients are well-informed about their health conditions and treatment plans.

Renowned for his compassionate care and meticulous attention to detail, Dr. Imran Akhtar ensures that each patient receives personalized care that is not only effective but also empathetic. Whether you are experiencing chronic pain or recovering from an injury, Dr. Akhtar is here to guide you on your road to recovery.
