Overview

Dr. Indranil Ghosh is a distinguished oncologist with over 13 years of experience in the field of medical oncology. Based in Kolkata, West Bengal, Dr. Ghosh is wellversed in handling various types of cancer treatments and is known for his comprehensive approach to patient care. He has earned significant respect among his peers and patients alike for his dedication and expertise.

Dr. Ghosh holds an MBBS degree followed by an MD and a DM in Medical Oncology, providing him with a robust educational foundation to address complex oncology cases. Fluent in English, Bengali, and Hindi, he effectively communicates with a diverse range of patients, ensuring that they fully understand their health conditions and treatment options.

As part of the Apollo hospitals network, Dr. Indranil Ghosh brings advanced treatment methodologies and a patient-centered approach, making him a sought-after oncologist in the region. His commitment to staying updated with the latest advances in oncology allows him to offer the most effective treatment plans tailored to each individual patient.

Known for his empathetic demeanor and thorough understanding of patient concerns, Dr. Ghosh not only treats cancer but also provides emotional and psychological support to patients and their families throughout the treatment journey. With a clear focus on improving the quality of life for those affected by cancer, Dr. Indranil Ghosh is dedicated to making a meaningful difference in the lives of his patients.
