Overview

Dr. K J Reddy is a highly experienced and respected Orthopaedician based in Hyderabad, Telangana, with an impressive 31 years in the medical field. He holds an MBBS degree alongside an MS in Orthopaedics, a DNB in Orthopaedics from PGI, and is a Fellow of the Royal College of Surgeons (FRCS) in Orthopaedics. Dr. Reddy is proficient in multiple languages, including English, Hindi, Urdu, Punjabi, and Telugu, allowing him to connect with a diverse patient base. His dedication to the field of Orthopaedics is reflected through his leadership roles as President of the Indian Arthroplasty Association during 2015-16 and as President of the Telangana Orthopedic Surgeons Association in 2016-17. He also serves as a Board Member for Arthroplasty Surgeons in Asia, showcasing his commitment to advancing his specialty at a regional and international level. Specializing in complex primary total knee replacements (TKR) and total hip replacements (THR), Dr. Reddy has extensive expertise in managing joint replacement for severe deformities, revision TKR and THR, and addressing infected joint replacements. His practice also emphasizes joint

preservation through advanced treatments such as stem cell therapy for hips and knees, as well as stem cell solutions for avascular necrosis (AVN), ensuring patients have access to cutting-edge care. Throughout his career, Dr. Reddy has been recognized for his contributions to Orthopaedic surgery, notably receiving the Michael Bastow Audit Prize in 1993 for his work on the audit of perioperative antibiotic prophylaxis in colorectal surgery at Queen Elizabeth Hospital in King's Lynn. This honor highlights his ongoing commitment to improving surgical outcomes and the safety of his patients. As a focused practitioner, Dr. K J Reddy combines his extensive knowledge and compassion, making him a trusted choice for patients seeking specialized Orthopaedic care. Whether addressing complex joint issues or providing routine care, he is dedicated to ensuring his patients achieve optimal mobility and quality of life.
