Overview

Dr. Karuppiah P is a highly experienced cardiologist based in Madurai, Tamil Nadu, with over 25 years of dedicated service in the field of cardiology. He holds a distinguished academic background, having earned an MD in General Medicine, MRCP, MSc, CCST in Cardiology, and a Postgraduate Diploma in Diabetology. Dr. Karuppiah is fluent in English, Telugu, and Tamil, allowing him to effectively communicate with a diverse patient base. His extensive expertise encompasses various aspects of cardiovascular health, making him a trusted physician for all heart-related concerns. Throughout his career, Dr. Karuppiah has received numerous accolades that affirm his commitment to medical excellence. Notably, he was honored with the General Protierus Award in Madurai and recognized for his pioneering work on the role of Fine Needle Aspiration Cytology (FNAC) in pulmonary mass lesions and B-type Natriuretic Peptide (BNP) evaluations in asymptomatic, high-risk populations. These contributions underscore his dedication to advancing the understanding and treatment of cardiac conditions.

As part of the Apollo network, Dr. Karuppiah combines his vast knowledge with the resources of a leading healthcare institution to provide top-notch care for his patients. He is instrumental in diagnosing and managing a wide range of cardiovascular issues, utilizing state-of-the-art technology and evidence-based protocols. Whether you are seeking preventive care, management of chronic conditions, or treatment for acute heart issues, Dr. Karuppiah offers a compassionate and comprehensive approach to your health, ensuring that each patient receives individualized attention and the best possible outcomes.
