Overview

Dr. Kiranbala Dash is a highly qualified and experienced Obstetrician and Gynaecologist based in Delhi. With 29 years of dedicated service in the field of women's health, she brings a wealth of knowledge and expertise to her practice. Dr. Dash holds an MD in Obstetrics and Gynaecology and is also a Fellow of the Minimal Access Surgery (FMAS), enhancing her ability to provide advanced care tailored to her patients' needs. As a female doctor, she understands the importance of creating a comfortable environment for her patients, ensuring they receive the best possible care during pregnancy and throughout their reproductive health journey.

Fluently speaking both English and Hindi, Dr. Dash caters to a diverse patient demographic, making her services accessible to a wider audience in the vibrant city of Delhi. Her commitment to patient care extends beyond routine examinations; she is deeply involved in educating her patients about their health, empowering them to make informed decisions regarding their reproductive health.

Affiliated with Apollo Hospitals, Dr. Kiranbala Dash is recognized for her compassionate approach and clinical excellence, making her a trusted choice for many women seeking obstetric and gynecological care. Whether you need routine screenings, prenatal care, or guidance through complex medical situations, Dr. Dash is dedicated to providing personalized attention and comprehensive treatment to ensure the well-being of her patients.
