Overview

Dr. Krishna Yadav is a distinguished Paediatric Surgeon with over 50 years of experience in the field. Based in South Delhi, she has made significant contributions to paediatric surgery, becoming the first Asian woman surgeon to earn the FRACS (Fellowship of the Royal Australasian College of Surgeons) in Australia in 1970. An authoritative figure in her area, Dr. Yadav has authored more than 185 research papers published in various national and international medical journals, showcasing her commitment to advancing medical knowledge and practice.

Dr. Yadav's remarkable career includes organizing the International Conference for Paediatric Surgeons in Developing Countries held at the PGIMER in Chandigarh in 1993. She is also recognized as the founder of the Journal of Paediatric Surgery in Developing Countries, which reflects her dedication to improving surgical care for children globally. Her academic prowess is evidenced by her roles as an examiner for M Ch (Paediatric Surgery) for various prestigious universities including Banaras Hindu University, University of Delhi, and institutions in Jaipur, Chennai, and Vellore.

An active member of the medical community, she has been nominated by the Vice President of India to serve on various prestigious boards, including the Senate of Panjab University and the Board of Postgraduate Education & Research. Her leadership in academia includes her position

as Dean of the Medical Faculty at Panjab University. Dr. Yadav is a life member of both the Association of Surgeons of India and the Association of Paediatric Surgeons of India, underlining her dedication to the profession. Fluent in English and Hindi, she is easily accessible to patients from diverse backgrounds and remains committed to fostering the next generation of surgeons.
