Overview

Dr. Madhuri Khilari is a highly respected Epilepsy Specialist based in Hyderabad, Telangana, with an impressive 11 years of experience in the field of neurology. Renowned for her dedication and expertise, Dr. Khilari has earned accolades such as the Erasmus Mundus scholarship, which she received for her post-doctoral fellowship in Germany during the 2014-2015 academic year. Her academic journey is marked by exceptional achievements, including topping the all India entrance exam for the JIPMER DM Neurology fellowship and securing a first-class degree in MD Internal Medicine. Dr. Khilari also holds the distinction of being the second ranker in her MS program at the Maharaja Sayajirao University, Baroda, where she showcased her dedication to medicine and the neurosciences.

In addition to her medical acumen, Dr. Khilari is proficient in multiple languages, including Hindi, Telugu, English, Tamil, Marathi, and Gujarati, enabling her to connect with a diverse patient population effectively. She has demonstrated excellence in various subjects during her academic

tenure, achieving distinctions in Anatomy, Physiology, Biochemistry, and more during her MBBS studies, where she completed her degree with an impressive aggregate of 72%.

Dr. Khilari's commitment to the advancement of epilepsy research is further exemplified by her recognition as a scholarship awardee at the Cyprus-Nicosia University for her project on signal processing in EEG studies, which is expected to commence in 2023. She is also certified in Clinical Governance, ensuring that her practice adheres to the highest standards of healthcare. With her extensive qualifications, including a Fellowship in Epilepsy from the UK and NIMHANS, MRCP SCE in Neurology (UK), DM Neurology from JIPMER, and an MD in Medicine from MS University, Dr. Madhuri Khilari stands out as a notable figure in the realm of neurology, committed to improving the lives of her patients.
