Overview

Dr. Mohammad Ibrarullah is a highly qualified Surgical Gastroenterologist with over 25 years of experience in the field. Based in Bhubaneswar, Odisha, he is renowned for his expertise in diagnosing and treating complex gastrointestinal conditions. Dr. Ibrarullah holds an MBBS degree and is a respected member of several prestigious medical organizations. His credentials include being a Travel Fellow of the Japan Surgical Society and the International Society of Surgery Foundation in 1995, as well as a Fellow of the American College of Surgeons, which reflects his commitment to advancing surgical practices and staying updated with the latest techniques in gastroenterology.

Fluent in English, Hindi, and Malayalam, Dr. Ibrarullah is able to communicate effectively with a diverse patient demographic, ensuring that all patients feel comfortable and informed during their consultations. His surgical expertise encompasses a wide range of procedures related to the digestive system, including minimally invasive techniques that promote faster recovery times for

patients.

Patients seeking his services benefit from his compassionate approach to care, where he prioritizes patient education and shared decision-making. Dr. Ibrarullah's affiliation with Apollo Hospitals further underscores his commitment to providing high-quality healthcare, making him a sought-after specialist in the region. With a solid track record of successful outcomes and patient satisfaction, Dr. Ibrarullah continues to make significant contributions to the surgical gastroenterology field, including teaching and mentoring the next generation of surgeons.
