## Overview

Dr. Mukesh Goel is a highly skilled and experienced Cardiothoracic and Vascular Surgeon based in South Delhi. With over 21 years of dedicated experience in the field, he has established himself as a leading expert in cardiothoracic and vascular surgeries. Dr. Goel has received extensive training and holds multiple qualifications, including MBBS, MS, and MCh, which equip him with the knowledge and expertise required for complex surgical procedures.

In addition to his surgical skills, Dr. Goel is known for his compassionate approach towards patient care. He takes the time to understand his patients' concerns and works collaboratively with them to provide tailored treatment plans that cater to their individual needs. His commitment to improving patient outcomes is evident in his meticulous attention to detail and adherence to best practices in the medical field.

Fluent in multiple languages including English, Hindi, Maithili, Punjabi, and Bhojpuri, Dr. Goel is able to communicate effectively with a diverse patient population, ensuring that language barriers do not

hinder access to quality healthcare. His ability to connect with patients from various backgrounds adds an invaluable aspect to his practice.

As an Exclusive Partner in his specialization, Dr. Mukesh Goel is passionate about utilizing the latest surgical techniques and technologies to enhance surgical precision and patient recovery times. His deep understanding of cardiovascular anatomy and pathology allows him to tackle a wide range of cardiothoracic conditions, making him a trusted choice for patients seeking surgical intervention. Whether it's performing life-saving heart surgeries or complex vascular procedures, Dr. Goel is dedicated to making a significant impact on the lives of his patients through exceptional surgical care.
