Overview

Dr. Naveenchandra R. Acharya is a highly experienced Urologist based in Hyderabad, Telangana, with 19 years of dedicated service in the field. He holds a prestigious MBBS degree, along with a Master of Surgery (M.S.) in General Surgery and a D.N.B. in General Surgery. Additionally, Dr. Acharya has completed his M.Ch. in Urology and is a Member of the Royal College of Surgeons (MRCS) in Surgery, further showcasing his commitment to advancing his professional qualifications. He has also completed a Fellowship at the renowned Cleveland Clinic in the USA, which has enriched his expertise and ability to provide exceptional care to his patients.

Over the years, Dr. Acharya has garnered numerous accolades and awards for his contributions to the medical field, including securing the 1st prize in a quiz competition at the NZC - USICON 2005 in Srinagar and 2nd prize at USICON 2006 in Varanasi. He was honored with the "Young Investigator Award"™ at the Association of Clinical Biochemists of India (ACBICON) in 2007 for his groundbreaking research on the CFTR gene in obstructive azoospermia. In recognition of his

exemplary service in medicine, he received the “Rashtriya Gaurav Award”™ and a Certificate of Excellence by the India International Friendship Society in 2009. Additionally, his innovative work with Thulium LASER enucleation and vaporization of the prostate has earned him the first prize for poster presentation at the 2nd Annual Emirates Urological Society Conference in Abu Dhabi in 2013. Proficient in Hindi, Telugu, and English, Dr. Acharya is able to communicate effectively with a diverse patient population, ensuring that they receive comprehensive and personalized care. With his extensive knowledge and compassionate approach, Dr. Naveenchandra R. Acharya stands as a prominent figure in the field of Urology, committed to improving the health and well-being of his patients.
