Overview

Dr. Naveen Palla is a highly skilled Orthopaedician with over 11 years of extensive experience in the field of orthopaedics. Based in Visakhapatnam, Andhra Pradesh, he is recognized for his commitment to providing exceptional care and innovative treatment solutions for patients facing various musculoskeletal issues. Dr. Palla holds a Master's degree in Surgery (MS) and is affiliated with Apollo Hospitals, a leading healthcare provider known for its clinical excellence. His proficiency in multiple languages, including English, Hindi, and Telugu, facilitates effective communication with a diverse patient demographic.

Throughout his career, Dr. Palla has actively participated in numerous medical conferences and continuing medical education (CME) programs, enhancing his knowledge and staying updated with the latest advancements in orthopaedic practices. He has contributed to significant events, such as the 51st and 52nd Annual Conferences of the Indian Orthopaedic Association, as well as international and state-level conferences in Coimbatore, Kolkata, and Warangal. His commitment to

sharing knowledge is evident from his involvement in presenting research papers on topics like rare malignant bone tumors and ACL reconstruction techniques.

Dr. Palla's dedication extends beyond clinical practice; he regularly organizes medical camps and visits local areas to offer services and expertise, ensuring that communities have access to quality orthopaedic care. His proactive approach to healthcare, coupled with his rich experience and dedication to patient welfare, makes him a trusted name in orthopaedic treatment in Visakhapatnam. He is passionate about traveling to meet local doctors, updating them with the latest surgical techniques and methodologies, thus furthering the medical community's collective expertise.
