Overview

Dr. Nice Johnson is a highly skilled Neonatologist with over 8 years of dedicated experience in the field of pediatric medicine. Based in Ernakulam, Kerala, he is committed to providing exceptional care to newborns, especially those requiring specialized medical attention. Dr. Johnson's educational background includes an MBBS degree, followed by a DNB in Pediatrics, and a fellowship in Neonatology through the Indian Academy of Pediatrics (IAP). His profound knowledge and training allow him to manage and treat critically ill neonates, ensuring that the most vulnerable patients receive the best possible care.

Fluent in multiple languages including English, Hindi, Kannada, and Malayalam, Dr. Johnson is able to communicate effectively with a diverse range of families, ensuring they feel informed and supported throughout their child's care journey. His approachable nature and empathetic demeanor make him a trusted choice for parents seeking expert neonatal care.

Dr. Johnson practices at Apollo Hospital, a renowned institution known for its commitment to providing high-quality healthcare services. While he has not pursued any awards at this time, his ongoing dedication to learning and staying abreast of advancements in neonatology demonstrates his commitment to excellence in his practice. Whether dealing with premature births or complex congenital conditions, Dr. Johnson is dedicated to improving outcomes and promoting the health of newborns. His focus on holistic care and collaboration with families sets him apart as a compassionate and competent Neonatologist in his community.
