Overview

Dr. Niranjana Hiremath is a highly esteemed Cardiothoracic and Vascular Surgeon based in South Delhi, with 12 years of dedicated experience in the field. He has amassed a wealth of knowledge and skill through his rigorous training and hands-on practice, making him one of the leading specialists in his domain. Dr. Hiremath holds multiple qualifications, including MS in General Surgery, FVCS in Vascular Surgery, MCh in Cardiothoracic Surgery, and is a Fellow of the American College of Surgeons (FACS) and the Canadian Academy of Aortic Surgery (FCAS), specializing in Aortic Surgery and Transcatheter Aortic Valve Implantation (TAVI).

Dr. Hiremath is not only an expert surgeon but also a pioneer in the medical field, having performed the world's first innovative technique in thoracoabdominal aortic surgery. His remarkable contributions to surgery demonstrate his commitment to advancing patient care and surgical techniques.

Fluently speaking English, Hindi, Tamil, Kannada, and Urdu, Dr. Hiremath is adept at communicating with a diverse range of patients, ensuring they feel comfortable and informed throughout their treatment journey. Affiliated with Apollo Hospitals, he is dedicated to providing the highest standard of surgical care and patient support. As a male surgeon, his professional demeanor and compassionate approach significantly contribute to the confidence and trust of his patients. Whether dealing with complex cardiovascular conditions or routine surgical cases, patients can rely on Dr. Niranjana Hiremath's extensive expertise and innovative mindset.
