Overview

Dr. Omprakash Jamadar is a highly experienced Paediatrician based in Mumbai, Maharashtra, with over 11 years of dedicated service in the field of child health. He holds an impressive academic background with a Bachelor of Medicine, Bachelor of Surgery (MBBS), and a Doctor of Medicine (MD) in Pediatrics, further complemented by the Membership of the Royal College of Paediatrics and Child Health (MRCPCH) and a Diploma in Child Health (DCH). Dr. Jamadar has also completed a Fellowship in Neonatology, showcasing his commitment to the advanced care of newborns and infants.

His extensive training in both General Pediatrics and Newborn Care in India, along with further intensive training in Pediatrics and Neonatology in the UK, equips him with a broad spectrum of expertise. This diverse training not only enhances his clinical skills but also contributes to his holistic approach to pediatric health. He is fluent in English and Hindi, enabling him to effectively communicate with a wide range of families and patients.

At Apollo, Dr. Jamadar is recognized not just for his medical knowledge but also for his compassionate and child-friendly approach, making each visit reassuring for both parents and children. His dedication to his profession has earned him accolades in the field, reinforcing his reputation as a trusted Paediatrician. Whether addressing routine check-ups, managing complex health conditions, or providing guidance on child development, Dr. Omprakash Jamadar is devoted to ensuring that every child receives the highest quality of care.
