Overview

Dr. P Sharat Kumar is a distinguished Orthopaedician based in Hyderabad, Telangana, with an impressive 31 years of experience in the field. He is recognized as a pioneer in orthopedic surgery and has earned a reputation for his expertise and innovative techniques. Dr. Kumar was the first orthopedic surgeon from India to become a fellow of the Faculty of Sports & Exercise Medicine in Ireland (FFSEM) and has made significant contributions to Apollo Hospitals, being the first in the institution to perform various arthroscopic procedures on knee, shoulder, ankle, elbow, and hip joints. His groundbreaking work includes being the first from South India to conduct day care minimally invasive total hip replacements and the direct anterior approach to minimally invasive bilateral total hip replacements for completely fused hip joints.

In addition to his surgical expertise, Dr. Kumar has a strong background in sports medicine. He has served as a liaison doctor for the Mumbai Indians IPL team, overseeing the care of cricket legends Sachin Tendulkar and Andrew Symonds. His experience extends to being a consultant for the Rugby

Football League in the UK, sports physician during the Manchester Commonwealth Games, and team physician for the British Judo Masters Championships.

Dr. Kumar's accolades include being featured in Forbes India as a leader in healthcare in 2021 and receiving multiple awards for his contributions to sports medicine, including the International Healthcare Award in 2016. His published research addresses various orthopedic issues, and he holds memberships in several notable professional organizations, including the Telangana Orthopedic Surgeons Association and the Indian Federation of Sports Medicine.

Fluent in English, Hindi, and Telugu, Dr. Kumar combines his exceptional surgical skills with a commitment to advancing the field of orthopedics, making him a sought-after specialist in his domain.
