Overview

Dr. Piyushkumar Jain is a distinguished Vascular and Endovascular Surgeon based in Mumbai, Maharashtra, with over 13 years of experience in the field. His extensive qualifications include an FRCS in vascular surgery from England, a DNB in both vascular and general surgery, and a Fellowship from the Royal College of Surgeons in Edinburgh, alongside an MBBS degree. Dr. Jain is renowned for his expertise in a wide range of vascular conditions, offering specialized care for both common and complex issues. He is adept at the open and endovascular management of peripheral arterial aneurysms and occlusive diseases, specifically performing angioplasty, bypass, and managing aortic aneurysms. Additionally, he addresses acute and critical limb ischaemia through thrombectomy, bypass, and hybrid procedures, as well as carotid endarterectomy and stenting for carotid stenosis.

Dr. Jain is also skilled in the interventional management of deep vein thrombosis (DVT) and provides access for dialysis through AV fistulas and management of complications such as steal syndrome

and aneurysms. His surgical capabilities extend to treating vascular trauma, as well as cervical rib and thoracic outlet syndrome surgeries. He is dedicated to diabetic foot management and offers both endovascular and open surgery for varicose veins.

Recognized for his contributions to the field, Dr. Jain was honored with the Doctor of the Year award in 2021 at HEAT, Hull, UK, and received a president's gold medal during his DNB vascular surgery training. He speaks English, Hindi, and Marathi, ensuring effective communication with a diverse patient population. Dr. Piyushkumar Jain is committed to providing high-quality vascular care with a patient-centric approach.
