Overview

Dr. Pinjala Rama Krishna is a distinguished Vascular Surgeon based in Hyderabad, Telangana, with an impressive 30 years of experience in the field. He holds multiple prestigious qualifications including MBBS, MS, FRCSEd, FICS, FVSI, and FICA. Dr. Rama Krishna is well-versed in English, Hindi, and Telugu, enabling him to cater to a diverse patient demographic effectively. Throughout his illustrious career, he has made significant contributions to vascular surgery, earning recognition for his pioneering work. Notable achievements include establishing the Non-invasive Vascular Laboratory in 1992, performing India's first successful Endovascular Bypass for Femoro-popliteal disease in 2000, and executing the first Endovascular Repair of Abdominal Aortic Aneurysm in Andhra Pradesh within the same year. Dr. Rama Krishna has also received several accolades for his innovative research, including the Best Paper Award for his presentation on 'Management of Peripheral Vascular Trauma' at the Annual Meeting of the Asian Vascular Society in Japan in 2010, and multiple awards for his presentations at the Asian Venous Forum. His dedication to advancing

the field of vascular surgery and improving patient outcomes is evident through his continuous efforts in research and practical applications. As a part of the Apollo Healthcare network, Dr. Rama Krishna remains committed to providing exceptional care to his patients, utilizing his extensive knowledge and skills to treat a variety of vascular conditions.
