Overview

Dr. Pradeep Kumar is a highly qualified neurologist with an impressive six years of experience in the field of neurology. Based in Lucknow, Uttar Pradesh, he specializes in diagnosing and treating a wide range of neurological disorders. Dr. Kumar holds advanced degrees, including an MD and a DM in Neurology, which equip him with a deep understanding of the complexities of the nervous system. Being a consultant at Apollo Hospitals, Dr. Kumar is committed to providing exceptional care to his patients. He is well-versed in the latest advancements in neurology and uses evidence-based approaches to manage conditions such as epilepsy, stroke, multiple sclerosis, and more. His profound knowledge and expertise make him a trusted choice for patients seeking neurological care. Fluent in both English and Hindi, Dr. Kumar ensures effective communication with a diverse patient demographic, thereby enhancing the overall patient experience. His patient-centric approach focuses not only on treatment but also on educating patients and their families about their conditions and treatment options.

Although he has yet to receive formal awards, Dr. Kumar is recognized for his dedication, compassion, and commitment to his patients' well-being. If you are looking for a skilled neurologist in Lucknow, Dr. Pradeep Kumar is an excellent choice for comprehensive and empathetic neurological care.
