Overview

Dr. Prashant Patil is a highly experienced Paediatric Endocrinologist based in Mumbai, Maharashtra. With over 33 years of dedicated service in the field, he has garnered a wealth of knowledge and expertise that distinguishes him among his peers. Dr. Patil holds an impressive academic background, which includes an MBBS and an MD in Pediatrics, as well as a prestigious PDCC in Pediatric Endocrinology. His commitment to continuous learning is evident from his fellowship with the European Society for Pediatric Endocrinology (ESPE) in the UK.

Throughout his career, Dr. Patil has been recognized with several awards for his contributions to pediatric medicine, including the 1st prize for his oral presentation at the ARTE meeting in Birmingham, UK. This recognition not only showcases his proficiency in handling complex endocrine disorders in children but also reflects his dedication to advancing the field through research and knowledge sharing.

Fluent in English, Dr. Patil ensures effective communication with his patients and their families, making them feel comfortable and informed about their children's health. As a leading expert in Pediatric Endocrinology, he specializes in addressing hormonal issues affecting children, such as growth disorders, diabetes, and thyroid problems. His empathetic approach and meticulous attention to detail have earned him the trust of numerous families across Mumbai. Dr. Prashant Patil continues to contribute to the health and well-being of children, ensuring they lead happy and healthy lives.
