Overview

Dr. Amit Kumar Agarwal is a highly qualified Orthopaedician based in South Delhi, Delhi. With an impressive 15 years of experience in the field, he has established a reputation for providing exceptional care and expertise in orthopaedic treatments. Dr. Agarwal holds multiple advanced qualifications including MBBS, MS (Ortho), DNB (Ortho), MCh (Ortho), MNAMS, MIMSA, and a Dip SICOT, reflecting his dedication to advancing his knowledge and skills in orthopaedics. His commitment to excellence in practice was recognized when he received the prestigious Apollo Young Academician Award in 2018. Fluent in both English and Hindi, Dr. Agarwal ensures clear communication with his patients, allowing them to feel comfortable discussing their concerns and treatment plans. As an Exclusive Partner in the Apollo network, he is dedicated to enhancing the health and well-being of his patients through personalized and evidence-based treatment approaches.

Dr. Agarwal is not just focused on surgical interventions; he is also devoted to educating his patients about preventive measures and rehabilitation practices. His passion for orthopaedics combined with a compassionate approach makes him a trusted choice for individuals seeking expert care for musculoskeletal issues. For those in need of a skilled orthopaedic specialist in the South Delhi area, Dr. Amit Kumar Agarwal stands out as a reliable option.

Experience

Working in Apollo Hospitals since last Assignment

Membership

- Indian Orthopaedic Association
- Indian Arthroscopy Society
- Société Internationale de Chirurgie Orthopédique et de Traumatologie (SICOT)
- National Academy of Medical Sciences
- Member Of International Medical Science Academy

Awards

- Recipient of "Rastriya Gaurav" award 2016.
- Received "Best doctor in Neurosurgery (east zone) award "under India Health Care Award 2016.
- Presented indigenous ICP monitoring system at World Congress of Neurosurgery, Seoul, 2013.

Frequently Asked Questions

1. Where does Dr. Prof Amit Kumar Agarwal practice?

Dr. Prof Amit Kumar Agarwal currently practices at Apollo Hospitals, located in Delhi.

2. Who is Dr. Prof Amit Kumar Agarwal?

Dr. Prof Amit Kumar Agarwal is a highly experienced Orthopaedician with 15 years of expertise in the field. He is known for providing exceptional patient care and advanced medical treatments. He areas of expertise include Pelvis Fracture Treatment Management, Sports Injury Treatment Management, Regenerative Therapy For Joints Rheumatoid Arthritis Treatment. He also treats conditions such as Carpal Tunnel Syndrome, Sports Injury.

3. Why do patients choose Dr. Prof Amit Kumar Agarwal?

Patients trust Dr. Prof Amit Kumar Agarwal for he expertise, patient-centric approach, and commitment to providing the highest standard of care. He is well-versed in the latest medical advancements and ensures personalized treatment for every patient.

4. What is Dr. Prof Amit Kumar Agarwal's specialization?

Dr. Prof Amit Kumar Agarwal specializes in Orthopaedics, with expertise in treatments for Pelvis Fracture Treatment, Regenerative Therapy For Joints, Rheumatoid Arthritis Treatment.

5. What are Dr. Prof Amit Kumar Agarwal's medical qualifications?

Dr. Prof Amit Kumar Agarwal holds prestigious qualifications, including MBBS, MS (Orth) PGI, DNB (Orth), MCh (Orth) USAIM, MCh (Orth) UK, MNAMS, MIMSA, Dip.SICOT (Belgium).

6. How many years of experience does Dr. Prof Amit Kumar Agarwal have?

Dr. Prof Amit Kumar Agarwal has 15 years of experience in the medical field, treating various conditions related to Orthopaedics.

7. How can I book an appointment with Dr. Prof Amit Kumar Agarwal?

You can book an appointment with Dr. Prof Amit Kumar Agarwal through: Online: Visit https://www.apollohospitals.com/book-doctor-appointment/ to schedule an appointment.
