Overview

Meet Dr. (Prof) Raju Vaishya, a highly esteemed Orthopaedician with an impressive 37 years of experience in the field of orthopaedics. Based in South Delhi, Dr. Vaishya has built a reputation for excellence and dedication to patient care. He is proficient in both English and Hindi, making him accessible to a diverse range of patients. With a comprehensive qualification profile that includes an MS in Orthopaedics, an MCh from Liverpool, and prestigious fellowships such as FRCS from London and FACS from the USA.

Dr. Vaishya is at the forefront of orthopedic medicine. As an exclusive partner in his practice, he focuses on delivering personalized treatment plans tailored to the unique needs of each patient. His extensive experience and academic background empower him to handle complex orthopedic cases with confidence and skill. Dr. Vaishya is not only a practitioner but also a mentor in the field, committed to advancing orthopaedic care. Patients can trust that they are in capable hands with a doctor who prioritizes their health and well-being. Whether you're seeking consultation for joint pain,

injuries, or surgical options, Dr. (Prof) Raju Vaishya is the professional to turn to for expert guidance and care.
