Overview

Dr. Puja Barua is a highly experienced Paediatric Cardiologist based in Guwahati, Assam, with over 15 years of dedicated practice in the field of paediatrics. She holds an MD in Paediatrics and has further specialized training through her PGT at RTIICS, ensuring that she is well-equipped to handle a variety of complex cardiac conditions in children. Dr. Barua is recognized for her compassionate approach and meticulous attention to detail, which play a vital role in delivering the highest quality of care to her young patients.

Fluent in Hindi, Assamese, Bengali, and English, Dr. Barua effectively communicates with a diverse range of families, ensuring that they not only understand the medical conditions affecting their children but also feel comfortable discussing their concerns. Her ability to connect with both patients and their families fosters a supportive environment that is crucial for treatment success and patient well-being.

As an exclusive partner in her profession, Dr. Barua is dedicated to advancing her expertise continually, keeping abreast of the latest developments in paediatric cardiology. Her commitment to her field is reflected in her patient outcomes, as she strives to prevent and manage heart conditions in children effectively. Whether dealing with congenital heart defects or acquired heart diseases, Dr. Barua's dedication and experience make her a trusted choice for parents seeking specialized cardiac care for their children.

For those looking for a reliable and qualified paediatric cardiologist in Guwahati, Dr. Puja Barua stands out as a leading practitioner. Her warm demeanor, extensive knowledge, and proactive approach to healthcare make her an invaluable asset to the community.
