Overview

Dr. Radhakanth Chunduri is a highly experienced psychiatrist based in Visakhapatnam, Andhra Pradesh, with over 30 years of dedicated service in the field of mental health. Holding an MD in Psychiatry and a Diploma in Psychological Medicine (DPM), Dr. Chunduri is well-equipped to address a wide range of psychological conditions and emotional challenges. He is fluent in English, Hindi, and Telugu, allowing him to connect effectively with a diverse patient population.

Throughout his career, Dr. Chunduri has received numerous accolades, including the National Merit Scholarship, which highlights his academic excellence in the medical field. He has also served as the Former President of the Visakha Psychiatric Society, a role that underscores his commitment to advancing psychiatric care and education within the community. In addition, he is the Founder and Director of the School for Dyslexia, Autism, and Mental Retardation, where he is dedicated to providing support and resources for individuals with specific learning and developmental needs.

Dr. Chunduri's practice focuses on comprehensive psychiatric evaluations, treatment planning, and therapy tailored to meet the individual needs of his patients. He adopts a holistic approach, integrating various therapeutic techniques to promote mental well-being and enhance the quality of life of those he treats. His compassionate demeanor and vast knowledge make him a trusted partner in the journey towards mental health recovery. Whether addressing anxiety, depression, or more complex psychological issues, patients can expect a thorough and empathetic approach to their care with Dr. Radhakanth Chunduri.
