Overview

Dr. Radhakrishnan Satheesan is an esteemed Paediatric Surgeon based in Chennai, Tamil Nadu, with over 20 years of extensive experience in the field. He has earned recognition for his exceptional skills and dedication to providing high-quality care to children facing surgical needs. Dr. Satheesan holds a prestigious medical degree (MBBS) and is a Fellow of the American College of Surgeons (FACS), which highlights his commitment to maintaining high standards in surgical practices.

As a specialist in Paediatric Surgery, Dr. Satheesan is well-versed in addressing a wide range of conditions affecting infants, children, and adolescents. His expertise encompasses various surgical procedures tailored specifically for the unique anatomical and physiological characteristics of young patients. This specialization allows him to ensure safer operations and better post-operative outcomes for children.

Communicating effectively with patients and their families is a key priority for Dr. Satheesan. He is fluent in multiple languages including English, Malayalam, Tamil, and Hindi, which enables him to

reach out to a diverse patient base in Chennai and surrounding areas.

Dr. Satheesan is affiliated with Apollo Hospitals, a renowned healthcare institution known for its commitment to excellence in healthcare services. His compassionate approach, combined with his technical expertise, makes him a trusted choice for families seeking surgical care for their children. Parents can rest assured that their child is in capable hands with Dr. Radhakrishnan Satheesan, who strives to provide not just treatment, but also reassurance and support throughout the surgical journey.
