## Overview

Dr. Raj B Singh is a highly experienced Pulmonology Respiratory Medicine Specialist based in Chennai, Tamil Nadu, with an impressive track record spanning over 36 years in the medical field. He is a respected figure in the community, renowned for his deep understanding and expertise in pulmonary conditions. Dr. Singh holds multiple qualifications, including MBBS, MD (General Medicine), MRCP, and FRCP, which collectively underscore his commitment to medical excellence and ongoing education in respiratory health.

As a life member of numerous prestigious medical associations, including the Association of Physicians of India, Indian Medical Association, Indian Chest Society, and the British Thoracic Society, Dr. Singh is dedicated to advancing knowledge and practices in the field of pulmonology. His affiliations with the Royal College of Physicians and Surgeons of Glasgow and the American College of Chest Physicians further highlight his standing in the medical community.

In addition to his clinical accomplishments, Dr. Singh is multilingual, offering consultations in English, Hindi, Tamil, and Malayalam, which allows him to cater to a diverse patient demographic. His practice is characterized by a patient-centered approach, ensuring that each individual receives tailored care and attention.

Residents of Chennai seeking consultation for respiratory issues can rely on Dr. Singh's extensive experience and compassionate care. He is dedicated not only to treating lung and respiratory conditions but also to educating patients about preventive measures and healthy living. As a valued member of the Apollo healthcare network, Dr. Raj B Singh continues to make significant contributions to the field of pulmonology, providing expert care with a commitment to improving patient outcomes.
