Overview

Dr. Ramya Y is a dedicated Surgical Oncologist based in Mysore, Karnataka, with a commendable experience of 5 years in her field. Fluent in English, she is adept at communicating with her patients and ensuring that they are well-informed about their treatment options. Dr. Ramya holds an impressive array of qualifications, including MBBS, MS in General Surgery, DNB in Surgical Oncology, and a Fellowship in European Board of Surgery in Surgical Oncology (FEBS). Her educational background equips her with the necessary skills to handle complex surgical procedures related to cancer treatment, making her a reliable choice for patients seeking specialized care. Affiliated with Apollo, Dr. Ramya Y is committed to providing personalized care to her patients while utilizing the latest advancements in surgical techniques. She is renowned for her compassionate approach, understanding the emotional and physical challenges that patients face during their treatment journey. She believes in a multidisciplinary approach to cancer care, working closely with other healthcare professionals to ensure comprehensive treatment plans.

In a time when cancer treatment can often seem overwhelming, Dr. Ramya Y aims to bring hope and reassurance to her patients, guiding them through every step of their surgical procedures. Her commitment to quality care, combined with her extensive expertise, makes her an invaluable asset to her patients and the medical community in Mysore. Patients can trust her with their health, knowing they are in capable hands.
