Overview

Dr. Rashmi Sudhir is a highly qualified and experienced specialist in Breast Radiology, based in Hyderabad, Telangana. With over 15 years of experience in the field, she has developed a profound expertise in diagnosing and treating breast-related conditions through advanced imaging techniques. Dr. Sudhir holds a Fellowship in the Royal College of Radiologists, London (UK) and is a Diplomate of the National Board (DNB) in Radiology, New Delhi (India). She completed her MBBS from the renowned CMC Vellore, where she also earned several academic accolades, including a merit award for third rank in her class and prestigious gold medals in Pharmacology and Microbiology. In recognition of her exceptional contributions to the field, Dr. Sudhir has received numerous awards, including the Best Research Paper Award at the Asian Ocean Conference of Radiology (AOCR) in 2018. Her commitment to advancing breast imaging practices is evident from her roles as a central governing council member of the Breast Imaging Society of India (BISI) from 2021 to 2023, and as the Treasurer for the organization for the 2023-2025 term.

Fluent in Hindi, Telugu, and English, Dr. Rashmi Sudhir provides compassionate care and detailed consultations to her patients, ensuring they are well-informed about their treatment options. Her dedication to both patient care and medical research makes her a valuable asset to the healthcare community at Apollo Hospitals, where she continues to serve as a trusted expert in the realm of Breast Radiology.
