Overview

Dr. Ravi Raju Tatapudi is a distinguished Nephrology Specialist with over 40 years of experience, currently practicing at Apollo Hospitals Health City Arilova in Visakhapatnam. He earned his MBBS and MD in Internal Medicine from Andhra Medical College, followed by a DM in Nephrology from PGIMER, Chandigarh. His commitment to advancing his expertise is evident through his fellowship in Transplant Immunology at Weill Cornell Medical College, NY, and recognition as an International Society of Nephrology Scholar at SUNY Brooklyn, USA. Dr. Tatapudi is also honored with a D.Sc (H.C) from Sri Chandrasekharendra Saraswathi Maha Vidyalaya and is a Fellow of the Royal College of Physicians in London.

Dr. Tatapudi specializes in a range of nephrology procedures, including renal transplantation, dialysis management, and the treatment of chronic kidney disease. His research interests focus on transplant immunology and innovative treatment modalities, contributing to numerous academic discussions and medical conferences. He is dedicated to patient-centered care, ensuring that each patient receives personalized treatment plans tailored to their unique needs.

Fluent in English, Hindi, and Telugu, Dr. Tatapudi effectively communicates with a diverse patient population, fostering a supportive and understanding environment. His unwavering commitment to medical excellence and innovative treatments positions him as a leading figure in nephrology, dedicated to improving patient outcomes and quality of life.
