Overview

Dr. Ruma Khandelwal is a highly qualified Paediatrician based in Bhopal, Madhya Pradesh, with 10 years of dedicated experience in the field of child healthcare. Holding an MBBS and an MD in Pediatrics, as well as an IDPCCM certification, Dr. Khandelwal is well-equipped to address a wide range of medical concerns affecting infants, children, and adolescents. Her clinical expertise is complemented by her ability to communicate effectively in both English and Hindi, making her accessible to a diverse patient demographic.

Dr. Khandelwal is affiliated with Apollo Hospital, where she provides comprehensive care to her young patients. Her commitment to excellence in pediatric care has been recognized with several accolades, including a prestigious gold medal for her achievements in medicine and the opportunity to present her research on a national platform.

As an esteemed member of the medical community, Dr. Khandelwal is known not only for her medical skills but also for her empathetic approach towards children and their families. She

understands that visiting a doctor can be a daunting experience for children, and she strives to create a welcoming and comforting environment. Her patients benefit from her thorough assessments and tailored treatment plans, ensuring that each child's unique needs are met with the utmost professionalism and care.

For those seeking a Paediatrician in the Bhopal area, Dr. Ruma Khandelwal stands out as a trusted and knowledgeable expert dedicated to fostering the health and well-being of the younger population.
