Overview

Meet Dr. Samiran Adhikary, a highly skilled Urologist with over 21 years of dedicated experience in the field. Based in Bhubaneswar, Odisha, Dr. Adhikary is a Senior Consultant in Urology and Renal Transplant Surgery at Apollo Hospital. His academic credentials are impressive, including an MBBS, MS in General Surgery, and an MCh in Urology, which make him a prominent figure in urological care and surgery. Dr. Adhikary is proficient in multiple languages, including English, Hindi, Bengali, and Oriya, allowing him to connect with a diverse patient population.

As a Urologist, Dr. Adhikary specializes in diagnosing and treating disorders of the urinary system and male reproductive organs. His expertise extends to complex renal transplant surgeries, demonstrating his commitment to advancing urological health through precise surgical intervention and compassionate patient care. Patients appreciate his thorough approach to treatment and his ability to explain complex medical issues in a way that is accessible and understandable.

Furthermore, his affiliation with Apollo Hospitals enhances his ability to deliver high-quality healthcare and advanced medical technology. Dr. Adhikary is not only highly regarded for his clinical abilities but also for his compassionate bedside manner, which ensures that his patients feel cared for and understood throughout their treatment journey. If you are in need of urological care, you can trust Dr. Samiran Adhikary to provide exceptional medical support tailored to your needs.
