Overview

Dr. Sengottuvelu G is a highly experienced cardiologist based in Chennai, Tamil Nadu, with over 25 years of dedicated service in the field of cardiology. He holds an impressive array of qualifications, including MD, DM, DNB, FRCP, FSCAI, FMMC, and FACP, and is also a Fellow in Interventional Cardiology.

Renowned for his expertise in complex bifurcation angioplasties, Dr. Sengottuvelu received the prestigious Award for Excellence for Outstanding Accomplishments & Contributions from CCT in Kobe-shi, Hyogo, Japan, in 2013, particularly for his pioneering work with absorbable scaffolds.

Fluent in English, Hindi, and Tamil, he effectively communicates with a diverse patient population, ensuring clarity and comfort throughout the care journey. As a senior specialist at Apollo Hospitals, Dr. Sengottuvelu combines advanced clinical training with a compassionate, patient-centric approach.

His commitment to advancing cardiac treatments and technologies has solidified his reputation as a leader in the cardiology community. Beyond treating cardiovascular diseases, he is passionate about educating his patients on heart health, preventive strategies, and lifestyle modifications.

Dr. Sengottuvelu G's expertise and dedication make him a trusted provider of cardiac care and a valuable contributor to the ongoing evolution of interventional cardiology.

Experience

- He is a highly established and a key opinion leader in Interventional cardiology in India particularly in radial approach, Bifurcation PCI , bioabsorbable vascular scaffold, Optical Coherence tomography, Intra vascular Ultrasound, Fractional Flow Reserve and Trans Catheter Aortic Valve Replacement (TAVI)
- 1 st TAVR in the Apollo group, 1 st successful Transcatheter aortic valve replacement (TAVR) for aortic valve stenosis in Tamil Nadu, Youngest and oldest patient treated with TAVR in India, India's first Evolut R in Bicuspid Aortic Stenosis, India's youngest TAVI in a 58 yrs old, India's oldest Post CABG TAVI in high risk 91 yrs male, India's first - Next day discharge after TAVI, India's first TAVI done under local anaesthesia, South India's first Sapien 3 Implant in a 74 years old , Tamilnadu's first ever Sapien 3 TAVI, First time in the world- Rheumatic AS with functioning Mitral prosthesis treated with TAVI.
- 1st in South/Central India to use Opticross Intravascular Ultrasound Systems, 1st in India to use Absorb Bioabsorbable Vascular Scaffold . (December 2012), 1st in South India to use Clearway catheter in primary angioplasty in Acute MI, 1st in Chennai to use M guard Stent Technology, 1 st in South India to use Minvasys Dedicated Bifurcation stent system.

He is currently involved in over 10 reputed international clinical trials.

Special Interests

- Structural heart Interventions
- TAVI (TAVR)
- Transcatheter Mitral valve interventions
- PCI and Stenting
- Primary PCI (Acute heart attack)
- Bifurcation angioplasty
- Post bypass angioplasty
- Rotablation
- Cutting ballon
- drug eluting balloon
- Trans radial procedures
- CTO – Chronic Total Occlusions
- Left main interventions
- Bio absorbable stents
- OCT -Optical Coherence Tomography
- IVUS – Intra Vascular Ultrasound
- FFR – Fractional Flow Reserve

Membership

- *Fellow, Society for Angiography and Interventions (USA)*
- *Treasurer & Board Member -Asia Pacific Society of Interventional cardiac (APSIC)*

- *Fellow, Cardiological Society Of India*
- *British Cardiovascular Society*
- Formerly Professor, The Tamilnadu Dr MGR Medical university
- Advisory Board member, CERC, Asia

Frequently Asked Questions

Where does Dr. Sengottuvelu G practice?

Dr. Sengottuvelu G currently practices at Apollo Hospitals, Greams Road, located in Chennai.
