Overview

Dr. Shweta Nair is a dedicated and experienced paediatrician based in Mumbai, Maharashtra. With over 8 years of experience in treating a wide range of childhood ailments, Dr. Nair has established herself as a trusted expert in the field of paediatrics. She holds an MBBS and an MD in Pediatrics, complemented by a Post Doctoral Fellowship in Developmental Pediatrics. Dr. Nair is also a Fellow of the Indian Academy of Pediatrics (FIAP), further showcasing her commitment to excellence in child healthcare.

Her multilingual capabilities allow her to communicate effectively with a diverse patient base, as she is fluent in English, Hindi, Malayalam, and Bengali. This versatility is particularly advantageous in Mumbai's multicultural environment, enabling her to connect with children and their families from various backgrounds.

At Apollo, Dr. Nair employs a compassionate and thorough approach to patient care, placing a strong emphasis on the developmental milestones and health needs of children. Her commitment to early diagnosis and intervention is reflected in her practice, where she prioritizes comprehensive assessments and tailored treatment plans to promote healthy growth and development.

Dr. Nair is admired for her holistic approach to paediatrics, which encompasses not just physical health, but also emotional and developmental well-being. Parents appreciate her ability to explain complex medical concepts in relatable terms, fostering a comforting environment for both children and their families. With her extensive qualifications and a passion for child health, Dr. Shweta Nair continues to make a significant impact in her field, ensuring that every child she treats receives the best possible care.
