Overview

Dr. Shweta Priyadarshini is a highly experienced Paediatric Nephrologist based in Hyderabad, Telangana, with 14 years of dedicated practice in the field of child kidney health. As an exclusive partner in paediatric nephrology, Dr. Priyadarshini specializes in diagnosing and treating kidney-related issues in children, ensuring they receive the highest standard of care. She holds an MBBS degree, an MD in Paediatrics, and a fellowship in Paediatric Nephrology, making her exceptionally qualified to handle complex cases involving young patients. Her commitment to her field is matched by her compassionate approach, making her a sought-after physician among families seeking expert advice for their children's nephrological health. Dr. Priyadarshini is proficient in multiple languages, including English, Hindi, and Telugu, enabling her to connect effectively with a diverse patient community. Her clinical practice is characterized by a holistic approach to treatment, prioritizing both medical and emotional support for her young patients and their families. With a strong focus on patient education, she ensures that parents are informed and empowered when it comes to making

health decisions for their children. Dr. Shweta Priyadarshini is dedicated to advancing the field of paediatric nephrology and is well-respected for her contributions to child healthcare.
