Overview

Dr. Srikala Dodda Reddy is a seasoned Obstetrician and Gynaecologist based in Chennai, Tamil Nadu, with an impressive 10 years of experience in her field. As a dedicated healthcare professional, she has made significant contributions to women's health, through both her clinical practice and research. Dr. Reddy is well-versed in various aspects of obstetrics and gynecology, providing personalized care for her patients while striving to achieve the best outcomes.

She holds a comprehensive educational background, with qualifications including an MBBS, a DNB in Obstetrics and Gynaecology, and a Post-Doctoral Fellowship in Reproductive Medicine (FRM). This extensive training equips her with the knowledge and skills to handle a wide array of challenges in reproductive health.

Fluent in multiple languages, including English, Telugu, Tamil, and Hindi, Dr. Reddy can effectively communicate with a diverse patient demographic. Her commitment to excellence in the field has been recognized through various accolades, including the Best Paper Award at a national conference. Additionally, Dr. Reddy has contributed to the academic community through publications, such as a case report on ovarian leiomyoma and a rare case of fallopian tube lymphangioma.

As part of the Apollo network, Dr. Srikala Dodda Reddy continues to enhance her practice, offering the latest advancements in obstetrics and gynecology while ensuring a warm and supportive environment for her patients.
