Overview

Dr. Sripathi V is a highly experienced Paediatric Urologist based in Chennai, Tamil Nadu, with over 25 years of expertise in the field. He holds advanced qualifications including MBBS, MS, and MCh, making him a well-rounded and skilled surgeon dedicated to providing the best care for children with urological conditions. Dr. V is fluent in both English and Tamil, enabling him to communicate effectively with a diverse patient base. His commitment to advancing the field of paediatric urology is evident through his role as President of the Pediatric Urology Chapter of the Indian Association of Pediatric Surgeons in 2008. Furthermore, Dr. V has contributed significantly to the education and training of future surgeons by conducting six workshops on Urodynamics and serving as an overseas examiner for University Malaya. His extensive experience and dedication to paediatric urological care make him a trusted choice for parents seeking specialized treatment for their children. Dr. V practices at Apollo Hospitals, one of the leading healthcare providers in India, ensuring access to advanced medical technology and patient-focused care.
