## Overview

Dr. Suhas Warad is a highly skilled and dedicated Paediatrician based in Mumbai, Maharashtra, with an impressive 19 years of experience in the field of child

healthcare. He is well-versed in understanding the unique medical needs of children, providing a compassionate approach to treatment and care. Dr. Warad holds several esteemed qualifications, including DNB in Pediatrics, DCH from Bombay, and an MBBS from Bombay. His extensive training equips him with the knowledge and skills necessary to address a wide range of pediatric conditions and concerns effectively.

At Apollo, Dr. Warad is recognized for his commitment to improving the health and wellbeing of his young patients. He emphasizes the importance of preventive care, regular check-ups, and vaccinations, ensuring that children receive the best possible start to their health journey. Fluent in English, he is able to communicate effectively with his patients and their families, making even the most complex medical information accessible and understandable.

Dr. Suhas Warad is noted for his unwavering dedication to providing top-notch healthcare services to children and is a trusted choice for parents seeking a reliable pediatric expert. His amiable demeanor and thorough approach instill confidence in both patients and their families, making visits a reassuring experience. Whether it's addressing common childhood illnesses, developmental concerns, or routine health assessments, Dr. Warad is committed to ensuring every child receives personalized attention and care. With a focus on holistic health, he strives to foster lasting relationships with families, paving the way for healthier future generations.
