## Overview

Dr. Sujit Chowdhary is a highly qualified Paediatric Urologist based in South Delhi, boasting an impressive 26 years of experience in the medical field. His academic credentials include an MBBS from the prestigious Armed Forces Medical College (AFMC), followed by a Master of Surgery (MS) and a Master of Chiropractic Surgery (MCh) from the renowned Postgraduate Institute of Medical Education and Research (PGI). Additionally, Dr. Chowdhary has earned distinctions such as Fellow of the Royal College of Surgeons (FRCS) and Fellow of the American College of Surgeons (FACS), along with MCh certification from the European Board, highlighting his commitment to global standards in paediatric healthcare.

Fluent in multiple languages including English, Hindi, Assamese, and Bengali, Dr. Chowdhary is adept at communicating with a diverse patient demographic, ensuring that children and their families feel comfortable and understood during consultations. His focus on paediatric urology allows him to treat a wide array of conditions affecting the urinary tract and genital organs in children, making him

a trusted specialist for many families in the region.

At Apollo Hospitals, Dr. Chowdhary is dedicated to delivering compassionate and comprehensive healthcare. His reputation for thoroughness and empathy sets him apart, as he engages closely with patients and their families throughout the treatment process. As a father figure in the medical realm, he prioritizes the well-being of children, ensuring they receive the best possible care tailored to their unique needs. Dr. Sujit Chowdhary continues to impact the lives of young patients positively, helping them lead healthier, happier lives.
