Overview

Dr. Sunil Teja is a highly experienced Pain Management Specialist based in Noida, Uttar Pradesh. With over 16 years of dedicated experience in the field, Dr. Teja has established a reputation for providing exceptional care and innovative pain management solutions. He holds an MBBS and an MD, which equip him with a strong foundation in medical science and practical expertise. Dr. Teja is committed to improving the quality of life for his patients through tailored pain management strategies that address their unique needs.

His significant contributions to the field include conducting a clinical comparative study on the efficacy of Diclofenac, Parecoxib, Tramadol, and Butorphanol for postoperative pain relief in major surgeries. This research highlights his commitment to advancing pain management practices and ensuring the best outcomes for his patients.

Fluent in English, Dr. Teja communicates effectively with a diverse patient population, ensuring that they fully understand their treatment options and feel supported throughout their recovery journey. As part of the Apollo clinic network, he adheres to the highest standards of medical care and patient safety. Dr. Sunil Teja is not only a skilled physician but also a compassionate caregiver who strives to alleviate suffering and enhance the overall well-being of his patients.
