Overview

Dr. Tapaswini Pradhan is a highly experienced Head and Neck Surgical Oncologist based in Noida, Uttar Pradesh. With 23 years of dedicated practice, she has become a trusted figure in the field of oncology, particularly focusing on the intricate challenges associated with head and neck cancers. Dr. Pradhan holds several qualifications, including MBBS, MS, and DNB, which reflect her commitment to excellence and ongoing education in her specialty.

As a female surgeon in a specialized field, Dr. Pradhan brings a unique perspective and compassionate approach to patient care. She is fluent in both English and Hindi, which enables her to communicate effectively with a diverse range of patients. In her practice, she employs the latest techniques and scientific advancements to deliver optimal outcomes for her patients.

Her expertise encompasses various treatment modalities, including surgical interventions, chemotherapy, and radiation therapy, tailored to meet the individual needs of each patient. Dr. Tapaswini Pradhan not only strives to treat her patients but also emphasizes the importance of comprehensive care that includes emotional support and education about their condition.

Being a part of the Apollo medical group, she adheres to their high standards of healthcare, consistently providing quality treatment in a state-of-the-art facility. Patients seeking expert guidance in head and neck oncology will find Dr. Pradhan to be a caring and highly skilled specialist dedicated to their well-being.
