Overview

Dr. L. F. Sridhar is a distinguished Cardio Thoracic Surgery Specialist with 27 years of extensive experience, currently practicing at Apollo Hospitals Greams Road, Chennai. He holds an MBBS and CTVS, along with MNAMS, which underscores his advanced expertise in the field of cardiac and thoracic surgery. Dr. Sridhar is renowned for his proficiency in complex procedures such as coronary artery bypass grafting, valve replacements, and minimally invasive cardiac surgeries, ensuring optimal outcomes for his patients.

In addition to his clinical practice, Dr. Sridhar is actively involved in research and academic discussions, contributing to advancements in cardiac care. He frequently participates in national and international medical conferences, sharing insights on innovative treatments and emerging techniques in thoracic surgery. His commitment to continuous learning and professional development reflects his dedication to medical excellence.

Dr. Sridhar believes in a patient-centered approach, prioritizing the needs and concerns of his patients throughout their treatment journey. He is dedicated to providing compassionate care and innovative solutions tailored to each individual. Fluent in both English and Tamil, Dr. Sridhar effectively communicates with a diverse patient population, ensuring that every patient feels understood and supported in their healthcare experience.
