Overview

Dr. T Sunder is a distinguished Heart and Lung Transplant Specialist at Apollo Hospitals Greams Road, Chennai, with an impressive 37 years of experience in the field. He holds multiple prestigious qualifications, including MS (Gen), FRCS (Eng), FRCS (Cardiothoracic), and FCCP (USA), which underscore his advanced expertise in complex cardiac and pulmonary procedures. Dr. Sunder is renowned for his proficiency in heart and lung transplantation, mechanical circulatory support, and advanced cardiac life support, making him a leader in innovative treatment options for patients with severe heart and lung conditions. In addition to his clinical practice, Dr. Sunder is actively involved in research and academic discussions, contributing to advancements in transplant medicine. He frequently participates in national and international medical conferences, sharing his insights and findings with peers, thereby enhancing the collective knowledge in the field. His commitment to patient-centered care is evident in his approach, where he prioritizes the individual needs of each patient, ensuring they receive the highest quality of healthcare. Fluent in English, Tamil, and Hindi, Dr. Sunder effectively communicates with a diverse patient population, fostering a supportive and understanding environment. His dedication to medical excellence and innovative treatments continues to inspire both his patients and colleagues alike.
