Overview

Dr. K Madhan Kumar is a distinguished Heart and Lung Transplant Specialist at Apollo Hospitals Greams Road, Chennai, with over 25 years of extensive experience in the field. He holds multiple prestigious qualifications, including MRCS, MCh, DNB, and a Fellowship in Cardiothoracic Surgery, complemented by specialized training in ECMO, VAD, and Transplantation. His advanced expertise enables him to perform complex procedures with precision and care, ensuring the best outcomes for his patients. Dr. Kumar is renowned for his proficiency in heart and lung transplantation, mechanical circulatory support, and advanced cardiac care. He is actively involved in research and has contributed to numerous academic discussions and medical conferences, sharing his insights on innovative treatments and emerging technologies in cardiothoracic surgery. His commitment to advancing medical knowledge is matched by his dedication to patient-centered care, where he prioritizes the needs and well-being of his patients. Fluent in both English and Tamil, Dr. Kumar effectively communicates with a diverse patient population, ensuring that every individual receives personalized attention and support throughout their treatment journey. His unwavering commitment to medical excellence and compassionate care makes him a trusted choice for patients seeking advanced heart and lung treatments.
