Overview

Dr. Raghavan Deepak is a distinguished Urology Specialist with over 21 years of experience, currently practicing at Apollo Hospitals Greams Road, Chennai. He holds a DNB in Urology and is a member of the Royal College of Surgeons (MRCS), reflecting his advanced expertise and commitment to the highest standards of medical care. Dr. Deepak is proficient in a range of urological procedures, including minimally invasive surgeries, endourology, and robotic-assisted surgeries, ensuring that his patients receive the most innovative and effective treatments available. In addition to his clinical practice, Dr. Deepak is actively involved in research and academic discussions, contributing to advancements in urological care. He regularly participates in national and international medical conferences, sharing his insights and findings with peers, which underscores his dedication to continuous learning and medical excellence. Dr. Deepak is passionate about patient-centered care, prioritizing the needs and concerns of his patients to provide tailored treatment plans. He is fluent in English, Bengali, and Hindi, allowing him to communicate effectively

with a diverse patient population. His commitment to high-quality healthcare and innovative treatments makes him a trusted choice for patients seeking urological care.
