Overview

Dr. Sharmil Kanna is a distinguished Paediatric Cardiac Surgery Specialist at Apollo Hospitals Indraprastha, Delhi, with a decade of experience in the field. He holds an MD and DrNB in Cardiothoracic and Vascular Surgery, reflecting his advanced expertise and commitment to excellence in paediatric cardiac care. Dr. Kanna is proficient in a range of complex procedures, including congenital heart defect

repairs, minimally invasive surgeries, and cardiac catheterizations, ensuring the highest standards of treatment for his young patients.

In addition to his clinical practice, Dr. Kanna is actively involved in research and academic discussions, contributing to advancements in paediatric cardiac surgery. He regularly participates in national and international medical conferences, sharing insights and innovations that enhance patient outcomes. His dedication to continuous learning and collaboration with peers underscores his commitment to staying at the forefront of medical advancements.

Dr. Kanna is passionate about patient-centered care, prioritizing the needs and comfort of his patients and their families. He believes in innovative treatments that not only address medical conditions but also improve the overall quality of life for children. Fluent in Hindi and English, Dr. Kanna effectively communicates with a diverse patient population, ensuring that every family feels informed and supported throughout their healthcare journey.
