Overview

Dr. Aditya Singh Bhati is a distinguished Neurosurgery Specialist at Apollo Hospitals Indraprastha, Delhi, with 21 years of extensive experience in the field. He earned his MBBS in 2004 and completed his DNB in Neurosurgery in 2014, further enhancing his expertise with a Fellowship in Neuroendoscopy. Dr. Bhati is renowned for his proficiency in advanced neurosurgical procedures, including minimally invasive techniques, brain tumor resections, and spinal surgeries, ensuring optimal outcomes for his patients. A dedicated advocate for patient-centered care, Dr. Bhati prioritizes the individual needs of each patient, employing innovative treatments and the latest advancements in neurosurgery. His commitment to medical excellence is reflected in his active involvement in research and academic discussions, where he contributes to the advancement of neurosurgical practices. He frequently participates in national and international medical conferences, sharing his insights and learning from peers in the field. Fluent in English, Hindi, Telugu, Punjabi, Urdu, Rajasthani, and Nepali, Dr. Bhati effectively communicates with a diverse patient population, ensuring that all patients feel understood and supported throughout their treatment journey. His dedication to high-quality healthcare and compassionate patient care makes him a trusted choice for those seeking neurosurgical expertise.
