Overview

Dr. Himanshu Khanna is a distinguished Speech Therapy Specialist at Apollo Hospitals Indraprastha, Delhi, with an impressive 27 years of experience in the field. He holds an M.Sc. in Speech & Hearing, equipping him with advanced expertise in diagnosing and treating a wide range of speech and communication disorders. Dr. Khanna is particularly proficient in areas such as voice therapy, fluency disorders, and augmentative and alternative communication, ensuring that his patients receive comprehensive and tailored care.

Throughout his career, Dr. Khanna has been actively involved in research and academic discussions, contributing to the advancement of speech therapy practices. He regularly participates in medical conferences, sharing insights and innovations that enhance treatment methodologies. His commitment to patient-centered care is evident in his approach, where he prioritizes the unique needs of each individual, fostering an environment of trust and support.

Fluent in both English and Hindi, Dr. Khanna effectively communicates with a diverse patient population, ensuring that language barriers do not hinder the delivery of high-quality healthcare. His dedication to innovative treatments and medical excellence makes him a trusted partner in the journey toward improved communication and quality of life for his patients.
