Overview

Dr. Surpreet Kaur Sandhu is a distinguished Obstetrics and Gynaecology Specialist at Apollo Hospitals Indraprastha, Delhi, with over 20 years of dedicated experience in her field. She holds an MBBS and an MS, equipping her with advanced expertise in managing a wide range of women's health issues. Dr. Sandhu is particularly proficient in high-risk obstetrics, minimally invasive surgeries, and reproductive health, ensuring that her patients receive the most effective and innovative treatments available.

A passionate advocate for patient-centered care, Dr. Sandhu prioritizes the well-being and comfort of her patients, fostering an environment of trust and open communication. She is actively involved in research and academic discussions, contributing to advancements in her field and staying abreast of the latest medical developments. Her participation in national and international medical conferences underscores her commitment to medical excellence and continuous learning.

Fluent in Hindi, English, and Punjabi, Dr. Sandhu effectively communicates with a diverse patient population, ensuring that every individual feels understood and valued. Her dedication to providing high-quality healthcare and her compassionate approach make her a trusted choice for women seeking expert care in obstetrics and gynaecology.
