Overview

Dr. Sandip Agnihotri is a distinguished Dermatology Specialist at Apollo Hospitals Indraprastha, Delhi, with over 21 years of extensive experience in the field. He holds an MBBS, DVD, and DNB, which underscores his advanced expertise and commitment to delivering high-quality healthcare. Dr. Agnihotri is proficient in a wide range of dermatological procedures, including laser treatments, cosmetic

dermatology, and management of complex skin disorders.

In addition to his clinical practice, Dr. Agnihotri is actively involved in research and academic discussions, contributing to advancements in dermatological care. He frequently participates in national and international medical conferences, where he shares his insights and findings, fostering a collaborative environment for knowledge exchange among peers.

Dr. Agnihotri is dedicated to patient-centered care, ensuring that each patient receives personalized treatment tailored to their unique needs. His innovative approach to dermatology, combined with a compassionate demeanor, allows him to build strong relationships with his patients, promoting trust and comfort.

Fluent in both English and Hindi, Dr. Agnihotri effectively communicates with a diverse patient population, making him a sought-after specialist in the community. His unwavering commitment to medical excellence and patient satisfaction sets him apart as a leader in dermatological care.
