Overview

Dr. Jaya Kumar Agarwal is a distinguished Obstetrics and Gynaecology Specialist at Apollo Hospitals Indraprastha, Delhi, with over 25 years of extensive experience in her field. She holds an MBBS, DGO, and DNB in Obstetrics and Gynaecology, complemented by a DGE diploma in Gyne Endoscopy from Germany, showcasing her advanced expertise and commitment to continuous learning.

Dr. Agarwal is proficient in a range of specialized procedures, including high-risk obstetrics, minimally invasive surgeries, and reproductive health treatments. Her dedication to patient-centered care is evident in her approach, where she prioritizes the unique needs of each patient, ensuring they receive the highest quality of care. She is also actively involved in research and academic discussions, contributing to advancements in women's health and participating in numerous medical conferences to share her insights and learn from peers.

Fluent in both English and Hindi, Dr. Agarwal effectively communicates with a diverse patient population, fostering a supportive and understanding environment. Her commitment to innovative treatments and medical excellence makes her a trusted choice for patients seeking comprehensive obstetric and gynecological care.
