Overview

Dr. Swapnadeep Roy is a distinguished Cardiothoracic and Vascular Surgery Specialist at Apollo Hospitals Indraprastha, Delhi, with 17 years of extensive experience in the field. He holds an MBBS, MS, and MCh in Cardiothoracic and Vascular Surgery, equipping him with advanced expertise in complex surgical procedures, including coronary artery bypass grafting, valve repair and replacement,

and minimally invasive cardiac surgeries.

Dr. Roy is deeply committed to patient-centered care, ensuring that each patient receives personalized treatment tailored to their unique needs. His dedication to medical excellence is reflected in his involvement in cutting-edge research and participation in numerous national and international medical conferences, where he shares insights on innovative surgical techniques and advancements in cardiovascular care.

Fluent in English, Hindi, and Bengali, Dr. Roy effectively communicates with a diverse patient population, fostering a supportive and understanding environment. His passion for improving patient outcomes and enhancing the quality of life for those with cardiovascular conditions underscores his role as a leader in the field of cardiothoracic and vascular surgery.
